 Gainesville, Florida 32608

## CVM Fact Sheet 2007-2008

## Recent Accomplishments

- Dr. Glen F. Hoffsis joins the CVM team as college dean.
- Deriso Hall, new home for Food Animal Reproduction and Medicine Service (FARMS) opens.
- New Imaging Center, including CT and MRI, installed in UF's VMC with capabilities of scanning large and small animals.
- Emerging Pathogens Initiative (EPI) raises awareness of new and re-emerging diseases that threaten tourism, health, and agriculture in the state of Florida.
- Veterinary Emergency Treatment Service (VETS) receives additional funding to assist with animal rescues during state natural disasters.
- CVM receives a \$6 million gift, its largest gift ever, from the estate of cattle ranchers Harriet Weeks and her daughter, Robin Weeks.

## Budget

- The college has a \$53.9 million budget, which includes \$24.9 million of state support.
- The college raised more than \$31 million in private support over the past five years.
- Construction for a new \$57 million small animal hospital should begin in 2009.
- Annual external research awards total more than \$9 million.
