Educational Portfolio, College of Veterinary Medicine, 2015-2016 Template

*The five headings listed below are designed to provide candidates with the opportunity to document their achievement of distinction in teaching/education. Include all elements that are relevant. You do not need to list items which are not applicable to your circumstances. This segment is not intended to duplicate other aspects of the packet, but to enhance and expand the descriptions of your educational accomplishments. You may also indicate "see Educational Portfolio" for relevant referencing within your description of accomplishments in Section #9 (Teaching, Advising, and Instructional Accomplishments).
