

Curriculum Vitae

NAME: CARYN E. PLUMMER
DATE & PLACE OF BIRTH: 22 March 1976, Orlando, FL, USA

PRESENT ADDRESS:
Current Employment: College of Veterinary Medicine
Small Animal Clinical Sciences
University of Florida
PO Box 100126
Gainesville, FL 32610-0126
Telephone: (352) 392-2235
E-mail: PlummerC@ufl.edu

CURRENT POSITION: Professor (with tenure), Comparative Ophthalmology
College of Veterinary Medicine, University of Florida

EDUCATION

Institution	Dates Attended	Degree/Program
University of Florida Gainesville, FL	July 2004-July 2006	Ophthalmology Residency
Michigan State University East Lansing, MI	June 2002-June 2003	Internship/Instructorship
University of Florida Gainesville, FL	August 1998-May 2002	Doctor of Veterinary Medicine
Yale University New Haven, CT	August 1994-May 1997	Bachelor of Arts (Biology)

OTHER EDUCATIONAL EXPERIENCES

Institution	Date
University of Florida Clinical and Translational Science Institute Training and Professional Development Program 2017 Mentor Academy Achieved designation as a Master Mentor, June 2017	2017

University of Florida Leadership Training Course
UF Academy: Emerging Leaders August 2017- May 2018

University of Florida Office of the Chief Diversity Officer
Crucial Conversations Workshop October 2020

ACADEMIC APPOINTMENTS

Professor with Tenure, University of Florida July 2020-present
Associate Professor with Tenure, University of Florida July 2014-June 2020
Assistant Professor, University of Florida July 2006-June 2014

ADMINISTRATIVE AND LEADERSHIP EXPERIENCE

Interim Department Chair October 2022-present
Department of Small Animal Clinical Sciences
University of Florida

Vision for Animal Foundation
Board of Directors 2021-present
Glaucoma Consortium Chair 2022
Scientific Advisory Committee Chair 2022-present

CVM Representative to the President's Advisory
Committee on Conflicts of Interest 2021-present
University of Florida

Administrative Council 2020-present
Department of Small Animal Clinical Sciences
University of Florida College of Veterinary Medicine

Wellness Initiative Task Force Leader 2020-2022
Department of Small Animal Clinical Sciences
University of Florida College of Veterinary Medicine

Administrative Council co-Chair 2019-2020
University of Florida College of Veterinary Medicine

Faculty Council co-Chair 2017-2018; Chair 2018-2019 2017-2020
University of Florida College of Veterinary Medicine

American Board of Veterinary Ophthalmology
Maintenance of Certification Committee Chair 2016-2018
Examination Committee co-Chair 2022-present

Ophthalmology Service Chief University of Florida College of Veterinary Medicine	2012-2017
International Equine Ophthalmology Consortium Executive Board member	2009-present
Secretary/Treasurer	2009-present
Ophthalmology Program Residency Coordinator University of Florida College of Veterinary Medicine	2006-2014; 2017-2022

PREVIOUS PROFESSIONAL POSITIONS

Associate Ophthalmologist Animal Eye Associates Maitland, FL, USA	August 2008-April 2012
Resident, Comparative Ophthalmology College of Veterinary Medicine University of Florida, Gainesville, FL, USA	July 2004-July 2006
Relief Veterinarian, Small Animal Practice Lansing, East Lansing, MI, USA	January 2004-June 2004
Instructor School of Veterinary Medicine Purdue University, West Lafayette, IN, USA	July 2003-December 2003
Intern/Instructor - Small animal medicine and surgery College of Veterinary Medicine Michigan State University, East Lansing, MI, USA	June 2002-June 2003
Research Assistant - Ophthalmology University of Florida, College of Veterinary Medicine Department of Small Animal Clinical Sciences Gainesville, FL, USA	January 1999-December 2000

CURRENT RESEARCH PROJECTS & INTERESTS

Equine corneal disease and immune-mediated uveitis; Pharmacology and ocular drug delivery and penetration; Ocular surface disorders; Primary open angle glaucoma in the dog; New surgical techniques for equine corneal disease, corneal wound healing, canine & equine glaucoma, eyelid/facial reconstruction.

pressure in normal dogs. ACVO Vision for Animals Foundation 2017. \$7200. Not funded.

Plummer CE (PI), Santoro D, Wellehan JFX. Periocular microbiome of dogs with and without ocular surface disease and atopic dermatitis. AKC Canine Health Foundation 2017. \$14,345. Not funded.

Santoro D (PI), Wellehan JFX, **Plummer CE (co-PI)**. Periocular microbiome of dogs with and without ocular surface disease and atopic dermatitis. 2016-2017 UF CVM Spring Consolidated Faculty Research Development Award Grant Competition. \$9350. Not funded.

Chauhan A (PI), **Plummer CE (co-PI)**. Glaucoma therapy by bimatoprost releasing vitamin E loaded contact lens. NIH Exploratory/Developmental Research Grant Program (Parent R21). 2017. \$407,204. Not Funded.

Larkin J, **Plummer CE (co-PI)**, Smith WC, Tuli SS. DRPV-ROF2016: Mitigation of equine recurrent uveitis through topical application of suppressor of cytokine signaling mimetic peptide. UF 2017 Research Opportunity Incentive Seed Fund Competition. Not Funded.

Plummer CE (PI), Gibson D, Berkowski WM, Peck A. An *ex vivo* canine cornea model for assessing optical clarity following stromal wounds. NIH Exploratory/Developmental Research Grant Program (Parent R21). June 2016. PA-16-161. \$412,500. Not funded.

Plummer CE (PI), Gibson DJ, Whitley RD, Hamor R, Herrmann J. *Intracorneal delivery of anti-fungal medications via iontophoresis*. 2016 ACVO Vision for Animals Research Grant Competition. \$4500. Not funded.

Larkin J, **Plummer CE (co-PI)**, Smith WC, Tuli SS. DRPV-ROF2016: Mitigation of equine recurrent uveitis through topical application of suppressor of cytokine signaling mimetic peptide. UF 2016 Research Opportunity Incentive Seed Fund Competition. \$100,000.00. Not Funded.

Czerwinski SL, **Plummer CE (Co-PI)**, Sanchez LC, Brooks DE. *Influence of topically administered atropine on gastrointestinal motility in healthy horses*. 2015 ACVO Vision for Animals Research Grant Competition. \$4678. Not funded.

Whitley RD (PI), **Plummer CE (Co-I)**. Dysregulation of corneal stromal repair and oxidative pathways in Keratoconus: Further characterization of a novel avian model. CVM 2015 Fall Consolidated Faculty Research Development Award. \$ 9,796.00. Not funded.

Plummer CE (PI), Whitley RD, Berkowski WM. *Assessment of topical therapies for improving optical clarity following stromal wound healing in the ex vivo canine corneal model*. 2015 Morris Animal Foundation Pilot Study, \$9487, not funded.

Brooks DE (PI), **Plummer CE (co-PI)**, Mangan BG, Schultz GS. *Equine ocular surface reconstruction*. 2012 Research Opportunity Incentive Seed Fund Competition \$98,818. Not funded.

Chauhan A (PI), **Plummer CE (co-PI)**. *Extended release of latanoprost by vitamin E nanobarrier loaded contact lenses for glaucoma therapy*. NIH R01 2013, \$1,440,115.00, not funded.

Chauhan A (PI), **Plummer CE (co-PI)**. *Drug eluding contact lenses for cystinosis therapy*. Cystinosis Research Foundation (CRF), Spring 2013, \$60,000.00, not funded.

Chauhan A (PI), **Plummer CE (co-PI)**. *Glaucoma therapy by eluding contact lenses*. University of Florida Clinical and Translational Science Institute Pilot and Collaborative Projects Program, Fall 2012, \$15,000.00. Not funded.

Plummer CE (PI), Coleman JK (co-PI). *Equine amniotic membrane for the augmentation of corneal wound healing in the equine patient*. American Quarter Horse Association, 2013, \$49,996.43. Not funded.

Brooks DE (PI), Coleman J (co-PI), **Plummer CE (co-PI)**. *A three phase approach to equine corneal wound healing*. Grayson-Jockey Club 2012, \$85,011.80. Not funded.

Plummer CE (PI), Boye S (co-PI), Komaromy A (Co-PI). *Gene therapy for glaucoma*. 2013 Research Opportunity Incentive Seed Fund Competition \$100,000. Not funded. 1/13

Chauhan A (PI), **Plummer C (co-PI)**. *Extended release of latanaprost by vitamin E nanobarrier loaded contact lenses for glaucoma therapy*. NIH R01 2012, Not funded. 11/12 \$806,581.08.

Brooks DE (PI), **Plummer CE (co-PI)**, Mangan BG. *Anti-proteinase effects of topical lyophilized amniotic membrane and amniotic membrane homogenate in the tear film of horses with ulcerative keratitis – in vitro study*. 2011 Research Opportunity Incentive Seed Fund Competition \$24,562. Not funded.

Chauhan A, **Plummer CE (co-PI)**. *Vitamin E and Drug Loaded Contact Lenses for Extended Glaucoma Therapy*. Southeast Techniventures, \$252,471. Not funded. 3/11.

Chauhan A (PI), **Plummer C (co-PI)**. *Glaucoma Therapy by Vitamin E Nanobarrier Loaded Contact Lenses*. NIH R21, \$353,918. Not funded. 06/2011.

Chauhan A (PI), **Plummer C (co-PI)**. *Tailored Dispersion of Imprinted Highly Crosslinked Particles in Contact Lenses for Ophthalmic Drug Delivery*. NSF, \$478,018. Not funded. 03/2010

Chauhan A (PI), **Plummer C (co-PI)**. *Nano-Particle Doped Silicone-Hydrogel Contact Lenses for Extended Ophthalmic Drug Delivery*. NIH R01. Not funded. \$1,803,677.00. 11/2010.

Plummer CE (PI), Coleman JK. *Reconstructing equine corneal epithelium on amniotic membrane*. American Quarter horse Association, \$59,635. Not funded. 10/2010.

Chauhan A (PI), **Plummer C (co-PI)**. *Controlled and extended ophthalmic drug delivery by contact lenses containing nanobarriers of vitamin E*. NIH R21, \$393,956. Not funded. \$398,000.00. 10/10.

Plummer CE (PI). *Reconstructing Equine Corneal Epithelium on Equine Amniotic Membrane*. Submitted to UFCVM Spring Faculty Grant Competition 2009, not funded.

Plummer CE, Specht A. *Survey of infectious etiologies of canine uveitis in Florida*. Submitted to UFCVM Fall Faculty Grant Competition 2007, accepted with above average enthusiasm, not funded.

INVITED LECTURES AND PAPERS

International

North American Veterinary Conference VMX, January 2023: Continuing education laboratory - *Cherry eye and adnexal surgery*. Orlando, FL, USA. 4 hours.

North American Veterinary Conference (NAVC) VMX, January 2023: Continuing education laboratory - *Corneal and conjunctival surgery*. Orlando, FL, USA. 4 hours.

University of Copenhagen Master Program: Ophthalmology Track Module III (Surgical Ophthalmology). Lecturer (6 hours). *Eyelid Surgery, Surgery of the Nictitans, Corneal and Conjunctival Surgery*. Copenhagen, DK. 14-15 November 2022.

University of Copenhagen Master Program: Ophthalmology Track Module II (Advanced Ophthalmology). Lecturer (6 hours) and case discussion instructor (14 hours). *Posterior Segment, Equine Ophthalmology, Glaucoma, Ocular emergencies*. Copenhagen, DK. 19-23 April 2022.

Beale's Best Virtual Continuing Education Program for Veterinarians, April-September, 2022. *Canine, Feline and Exotic Pet Ophthalmology*. China. 11 hours.

North American Veterinary Conference VMX, January 2022: Continuing education laboratory - *Cherry eye and adnexal surgery*. Orlando, FL, USA. 4 hours.

North American Veterinary Conference (NAVC) VMX, January 2022: Continuing education laboratory - *Corneal and conjunctival surgery*. Orlando, FL, USA. 4 hours.

University of Copenhagen Master Program: Ophthalmology Track Module I (Basic Companion Animal Ophthalmology). Lecturer (6 hours) and wetlab instructor (12 hours). *Slit lamp Biomicroscopy, Gonioscopy, Ocular Pathophysiology, Ocular Imaging, Ocular Pharmacology, Ophthalmic Examination (wetlab), Ocular Ultrasonography (wetlab), Gonioscopy (wetlab), Cytology and Histopathology (wetlab)*. Copenhagen, DK. 15-19 November 2021.

Southern European Veterinary Conference (SEVC): Advanced Ophthalmology. Lecturer (2 hours). *So Much Pressure: Recognizing Glaucoma in the Clinical Patient, Going with the Flow: Current Strategies for Glaucoma Therapy*. 20 October 2021.

University of Copenhagen Master Program: Ophthalmology Track Module II (Advanced Ophthalmology). Lecturer (6 hours) and case discussion instructor (14 hours). *Posterior Segment, Equine Ophthalmology, Glaucoma, Ocular emergencies*. Copenhagen, DK. 19-23 April 2021.

North American Veterinary Conference VMX, June 2021: Continuing education laboratory - *Cherry eye and adnexal surgery*. Orlando, FL, USA. 4 hours.

North American Veterinary Conference (NAVC) VMX, January 2020: Continuing education laboratory - *Corneal and conjunctival surgery*. Orlando, FL, USA. 4 hours.

North American Veterinary Conference VMX, January 2020: Continuing education laboratory - *Cherry eye and adnexal surgery*. Orlando, FL, USA. 4 hours.

University of Copenhagen Master Program: Ophthalmology Track Module I (Basic Ophthalmology). Lecturer (6 hours) and wetlab instructor (12 hours). *Slit lamp Biomicroscopy, Gonioscopy, Ocular Pathophysiology, Ocular Imaging, Ocular Pharmacology, Ophthalmic Examination (wetlab), Ocular Ultrasonography (wetlab), Gonioscopy (wetlab), Cytology and Histopathology (wetlab)*. Copenhagen, DK. 11-15 November 2019.

British Association of Small Animal Veterinarians (BSAVA), Birmingham, UK, April 5, 2019: *Ocular Surface Disease, Ocular Manifestations of Endocrinopathies, Masquerading Eye Disease*, 4 hours invited.

British Association of Veterinary Ophthalmology (BrAVO), Birmingham, UK, April 3, 2019: *Ocular Pharmacology, Glaucoma - Medicine V. Surgery (How I Choose), Case Discussions*, 3 hours invited.

North American Veterinary Conference (NAVC) VMX, January 2019: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference VMX, January 2019: Continuing education laboratory - *Cherry eye and adnexal surgery*. 4 hours.

International Veterinary College. Ophthalmology Symposium. October 15-17, 2018. Shanghai, China. 21 hours.

North American Veterinary Conference, January 2018: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference, January 2018: Continuing education laboratory - *Cherry eye and adnexal surgery*. 4 hours.

North American Veterinary Conference Institute: *Practical Approaches to Clinical Ophthalmology*. Lectures and laboratory. Orlando, FL, USA. 05/22-25/2017. 34 hours.

North American Veterinary Conference, 01/18/16, Orlando, FL, USA: *Ophthalmic manifestations of endocrinopathies in small animals, Common eyelid disorders and how to deal with them, Common ophthalmic emergencies and their management, Cherry eye surgical options, Three ophthalmologists, three opinions*. 5 hours.

North American Veterinary Conference Masterclass: *Challenging corneas: Ulcerative keratitis and unusual keratopathies*. 01/16/16, Orlando, FL, USA, 2 hours.

North American Veterinary Conference, January 2016: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours

North American Veterinary Conference, January 2016: Continuing education laboratory - *Cherry eye and adnexal surgery*. 4 hours.

Jornadas Quirúrgicas Veterinarias: *The ophthalmic examination with lesion localization, Medical and surgical therapy for ocular surface disease (KCS and corneal ulcers), Ophthalmic emergencies, Medical and surgical approaches to canine glaucoma*. Lima, Peru. 09/06/2015. 4 hours.

Japanese Society of Comparative and Veterinary Ophthalmology: *Canine Glaucoma: Pathophysiology and therapeutic strategies*. Kanagawa, Japan. 25 July 2015. 2 hours.

North American Veterinary Conference, January 2015: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference, January 2015: Continuing education laboratory - *Cherry eye and adnexal surgery*. 4 hours.

North American Veterinary Conference Institute: *Practical Approaches to Clinical Ophthalmology*. Lectures and laboratory. Orlando, FL, USA. 05/19-23/2014. 34 hours.

North American Veterinary Conference, 01/20/14, Orlando, FL, USA: *Ophthalmic pharmacology: The best and the rest, Canine glaucoma: Medical and surgical therapies*. 2 hours.

North American Veterinary Conference, January 2014: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference, January 2014: Continuing education laboratory - *Cherry eye and adnexal surgery*. 4 hours

North American Veterinary Conference Institute: *Clinical procedures. Examining the eye. A crack in the windshield*. Lecture and laboratory. Orlando, FL, USA. May 2013. 8 hours.

North American Veterinary Conference Masterclass: *Challenging corneas: Ulcerative keratitis and unusual keratopathies*. 01/19/13, Orlando, FL, USA. 2 hours.

North American Veterinary Conference, January 2013: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference, January 2013: Continuing education laboratory - *Cherry eye and adnexal surgery*. 4 hours.

European College of Veterinary Surgeons' Eye Course: *The equine cornea, Corneal surgery, And the rest: An overview of intraocular surgery, When things go wrong: Surgical Complications, and eye examination and ophthalmic surgery laboratories.*, 12/6-7/12, University of Zaragoza, Zaragoza, Spain. 16 hours.

Continuing Education Conference for Veterinarians: *The ophthalmic examination, The approach to the red eye, Ophthalmic emergencies and Equine ophthalmology*. 02/12, Accra, Ghana, Africa. 4 hours.

Continuing Education Conference for Veterinarians: *The ophthalmic examination, The approach to the red eye, Ophthalmic emergencies and Equine ophthalmology*. 02/12, Kumasi, Ghana, Africa. 4 hours.

North American Veterinary Conference, January 2012: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference, January 2012: Continuing education laboratory - *Cherry eye and adnexal surgery*. 4 hours.

North American Veterinary Conference, January 2011: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference, January 2011: Continuing education laboratory - *Cherry eye and adnexal surgery*. 4 hours.

Waltham Leading Vets Workshop: *Clinical Ophthalmology, The eye examination, The approach to the red eye*. Mumbai, Delhi, Kolkatta, Chennai, India 27 January – 10 February 2010. 30 hours.

North American Veterinary Conference, January 2010: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference, January 2010: Continuing education laboratory - *The ophthalmic examination*. 4 hours.

North American Veterinary Conference, January 2009: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference, January 2009: Continuing education laboratory - *The ophthalmic examination*. 4 hours.

North American Veterinary Conference Institute In Depth Seminar with Laboratories: *Equine Ophthalmology*, 9-12 May 2008. 16 hours.

North American Veterinary Conference, January 2008: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference, January 2008: Continuing education laboratory - *The ophthalmic examination*. 4 hours.

Japanese Equine Practitioners: In-depth Ophthalmology Seminar with laboratory, UFCVM, Gainesville, FL, USA. 30 November 2007. 9 hours.

North American Veterinary Conference, January 2006: Continuing education laboratory - *Eyelid and adnexal surgery*. 4 hours.

North American Veterinary Conference, January 2006: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

North American Veterinary Conference, January 2005: Continuing education laboratory - *Eyelid and adnexal surgery*. 4 hours.

North American Veterinary Conference, January 2005: Continuing education laboratory - *Corneal and conjunctival surgery*. 4 hours.

National

American Association of Equine Practitioners (AAEP). New Practitioners' Symposium 20 February 2022. Practical Ophthalmology. Wetlab Instructor. 5 hours.

American College of Veterinary Surgeons (ACVS). Ophthalmology for Equine Surgeons Webinar (2 hours): *Corneal Surgery in the Horse: Indications and Techniques; Corneal Surgery in the Horse: Complications and How to Prevent Them*. 3 March 2021. Invited Lectures.

American Association of Equine Practitioners Summer Focus Conference & Lab: *Equine Ophthalmology*. Lecturer (3 hours) and wetlab instructor (8 hours). *Diseases and Disorders of the Uvea, Ocular Pharmacology, How to Place SPL System, Flush NLD, Collect Cytology from the Cornea, Cytology Analysis and Treatment Plan*. Fort Collins, CO, USA. 29-31 July 2019.

University of Florida Center for Vision Research 22nd Annual Research Symposium: Ocular Immunology and Inflammation. *Equine recurrent uveitis: A spontaneous and persistent auto-immune uveitis*. 5 February 2018. Invited talk.

Veterinary Ophthalmic Technician Society (VOTS): *Fungal Keratitis in the Horse*. Baltimore, MD, USA. 10/2017. One hour.

North American Veterinary Conference LIVE: *Ophthalmic Emergencies, Ocular Surface Disease, Masquerading Eye Disease, Pretty Pictures: Examining the Posterior Segment, The Eyes Have It: Diagnosing and Explaining Glaucoma*. Portland, OR, USA, 08/20-21/2017. 6 hours.

University of Florida Center for Vision Research and UF Institute for Wound Research. Ocular and Skin Wound Healing Symposium: From Healing to Regeneration. *Beyond the Human Animal*. Twentieth Annual Research Symposium, 06/06/2016. Invited Lecture.

American Association of Equine Practitioners: *360° Ophthalmology Course*. Course coordinator (30 hours), lecturer (8 hours) and wetlab coordinator (8 hours). Hosted by the University of Florida. Gainesville, FL, USA. 8-11 July 2015.

University of Florida Center for Vision Research Sixteenth Vision Research Symposium: *Primary open angle glaucoma in the Beagle Dog: The history and future of a spontaneous model*. 10/28/13, Gainesville, FL USA. Invited Lecture.

University of Florida Vision Seminar: *Primary open angle glaucoma in the Beagle dog*. 01/30/13, Gainesville, FL, USA. Invited Lecture.

American College of Veterinary Ophthalmologists General Practitioner's Day of Ophthalmology: *Glaucoma - Recognition and Treatment*. Hilton Head, SC, 29 October 2011. 2 hours.

American College of Veterinary Internal Medicine Forum: *State of the Art (What's new in equine ophthalmology), Inflammatory keratopathies in the horse, Equine recurrent uveitis*. Anaheim, CA 9-12 June 2010, 3 hours.

American Association of Equine Practitioners: *Ophthalmology Focus. Advanced Diagnostics*. Raleigh, NC, 3 October 2009. 8 hours.

American College of Veterinary Internal Medicine: *Equine Ocular and Periocular Neoplasia: SCC and beyond*. San Antonio, TX, June 2008. 2 hours.

American Association of Equine Practitioners: *Melting corneal ulcers in the horse*. Orlando FL, 5 December 2007. 4 hours.

Veterinary Ophthalmology Technician Society Annual Meeting (VOTS): *Eyelid reconstruction*. San Antonio, TX, 2 November 2006. 1 hour.

State and Regional

2022 Florida Association of Kennel Clubs with UF Small Animal Clinical Sciences Veterinary Health Special Seminars. *The OFA CAER Form - What to Make of It!* 22 October 2022. 1.0 hr.

2022 Healthy Horses Conference. University of Florida College of Veterinary Medicine: *The Eyes Have It! Common Equine Eye Problems*. Gainesville, FL, USA. 15 July 2022. 0.25 hr.

Florida Association of Equine Practitioners (FAEP). Promoting Excellence Symposium. Lecturer: *Equine Recurrent Uveitis – Pathophysiology and Treatment Options, Non-Ulcerative Keratopathies (including Immune-Mediated Keratitis), Pre-Purchase Examinations – What to Look for and When to be Concerned*. Naples, FL, USA. 22 October 2021. 3 hours.

University of Florida College of Veterinary Medicine RDVM Online CE: *There's a Fungus Among Us (Equine Keratomycosis)*. Gainesville, FL, USA 2021. 0.75 hr.

University of Florida College of Veterinary Medicine RDVM Online CE: *Inherited Ocular Disease in the Horse*. Gainesville, FL, USA 2020. 0.75 hr.

University of Florida College of Veterinary Medicine RDVM Day: *Corneal endothelium – When what you've got just isn't enough*. Gainesville, FL, USA June 15, 2019. 0.25 hr.

University of Florida College of Veterinary Medicine RDVM Day: *What's New for Equine Recurrent Uveitis*. Gainesville, FL, USA June 15, 2019. 0.25 hr.

Mississippi Veterinary Medical Association. *Ophthalmology*. July 12, 2018. Orange Beach, AL. 4 hours.

University of Florida College of Veterinary Medicine RDVM Day: *Ouch! My Eye! A discussion of ocular pain in small animals*. Gainesville, FL, USA June 17, 2017. 0.25 hr.

University of Florida College of Veterinary Medicine RDVM Day: *Updates in equine ophthalmology*. Gainesville, FL, USA June 17, 2017. 0.25 hr.

Florida Veterinary Medical Association Annual Conference: *The eye examination, The approach to the red eye (canine), The approach to the red eye (feline), Blindness in dogs and cats: Where is the lesion? Feline corneal disease, Corneal disease in older dogs, Ocular pharmacology, Cherry eye repair*. 04/25/2014, Orlando, FL, USA, 8 hours.

Missouri Veterinary Medical Association Annual Conference: *The equine ophthalmic examination, Corneal ulcers in the horse, Non-ulcerative keratopathies in the horse, Pathophysiology and treatment options for equine recurrent uveitis*. 01/31/14, Osage Beach, MO, USA, 4 hours.

University of Florida College of Veterinary Medicine RDVM Day: *Immune mediated keratitis in the horse*. Gainesville, FL, USA. 26 June 2010. 0.25 hr.

Florida Veterinary Medical Association Annual Conference: *Canine glaucoma, medical and surgical therapies, The approach to the red eye: canine, The approach to the red eye: feline, Management of common ophthalmic emergencies, Ocular manifestations of endocrinopathies, Blindness in dogs and cats: Where is the lesion, Feline corneal disease, Corneal disease in older dogs, Ocular pharmacology – the best and the rest*. Tampa, FL 09-10 April 2010, 9 hours.

Oregon Veterinary Conference: *Corneal Ulcers: The latest approaches to an old problem, Equine Recurrent Uveitis: Perspectives on etiology, therapy and outcomes, Ocular Trauma: More than just a scratch, Equine Ocular and Periocular Neoplasia: SCC and beyond, Pre-purchase examinations: The eyes have it!* Corvallis, OR, 5 March 2010, 8 hours.

Central Florida Veterinary Medical Association: *Ophthalmic manifestations of endocrinopathies in small animals*. Orlando, FL, USA. October 2009. 1 hour.

University of Florida College of Veterinary Medicine RDVM Day: *Canine Glaucoma*. Gainesville, FL, USA. June 2009. 0.25 hr.

University of Florida College of Veterinary Medicine RDVM Day: *Equine Recurrent Uveitis*. Gainesville, FL, USA. June 2009. 0.25 hr.

Hagyard Equine Medical Institute Continuing Education Series: *Corneal stromal abscesses in the horse*. Lexington, KY, 21 December 2007. 1 hour.

Hagyard Equine Medical Institute Continuing Education Series: *Non-ulcerative keratopathies in the horse*. Lexington, KY, 21 December 2007. 1 hour.

Hagyard Equine Medical Institute Continuing Education Series: *Congenital ocular disorders and ophthalmic diseases of the foal*. Lexington, KY, 26 November 2007. 1 hour.

Hagyard Equine Medical Institute Continuing Education Series: *Corneal disease in the horse*. Lexington, KY, 23 June 2007. 1 hour.

Local

UF/IFAS Extension (Marion County) Symposium. *Equine Ophthalmology: The Normal and Diseased Horse Eye*. Ocala, FL USA. Sep 20, 2018. 1 hour.

University of Florida College of Veterinary Medicine Night in the Swamp. *Ophthalmic manifestations of endocrinopathies in small animals*. Daytona Beach, FL, USA. 1/11/17. 2 hours.

Florida Cat Conference: *Common infections of the feline eye*. Gainesville, FL, 4 August 2007. 1 hour.

Alachua Veterinary Medical Association: *Latest advances in veterinary ophthalmic surgery*. 17 October 2006, 2 hours.

University of Florida CVM Veterinary Technician Program: *Small animal ophthalmic emergencies*. 14 October 2006. 1 hour.

TRAINEES SUPERVISED

Residents, Interns and Graduate Students Supervised

Dr. Yu Sato - Master's of Science Candidate/ Ophthalmology Resident/Florida	2022-present
Dr. Colleen Dwyer - Master's of Science Candidate/ Ophthalmology Resident/Florida	2022-present
Dr. Jacob Morris - Master's of Science Candidate/ Ophthalmology Resident/Florida	2021-present
Dr. Yosuke Aoki - Ophthalmology Resident/Veterinary Ophthalmology Specialized Clinic & University of Florida	2021-present
Dr. Eric Alexopoulos - Ophthalmology Resident/Florida; Research Advisee	2021-present

Dr. Kyle Kline - Rotating Small Animal Intern/Florida; Research advisee (Current position: Ophthalmology specialty intern, Tampa, FL)	2020-2021
Dr. Brett Story - Rotating Small Animal Intern/Florida; Research advisee (Current position: Ophthalmology resident, University of California, Davis)	2019-2020
Dr. Taylor Opgenorth - Rotating Small Animal Intern/Florida; Research advisee (Current position: Ophthalmology resident, University of Wisconsin)	2019-2020
Dr. Michelle Martin de Bustamante - Master's of Science (2021)/ Ophthalmology Resident/Florida; Research Advisee	2018-2022
Dr. Louise O'Leary - Rotating Small Animal Intern/Florida; Research advisee (DACVO, Current position: Specialty ophthalmology practice, San Francisco, CA)	2017-2018
Dr. Paoul Martinez - Small Animal ECC Intern/Master's of Science (2020)/Ophthalmology Resident/Florida; Research advisee	2017-present
Dr. Christine Boss - Master's of Science (2020)/Ophthalmology Resident/Florida; Research Advisee (Credentialed, Current position: Ophthalmology specialty practice, Clearwater, FL)	2017-2021
Dr. James Herrmann - Master's of Science (2019)/Ophthalmology Resident/Florida; Research Advisee (DACVO, Current position: Specialty ophthalmology practice, Houston, TX)	2016-2020
Dr. William Berkowski - Master's of Science (2017)/Ophthalmology Resident/Florida; Research Advisee (DACVO, Current position: PhD candidate, University of Florida)	2014- present
Dr. Renata Ramos - Master's of Science (2017)/Ophthalmology Resident/Florida; Research Advisee (DACVO, Current position: Clinical Assistant Professor, Virginia-Maryland College of Veterinary Medicine)	2014- 2019
Dr. Laura Proietto - Master's of Science (2016)/Ophthalmology Resident/Florida; Research Advisee (DACVO, Current position: Specialty ophthalmology practice, Ft. Lauderdale, FL)	2013- 2017
Dr. Caroline Monk - Ophthalmology Resident/Florida; Research Advisee (DACVO, Current position: Specialty ophthalmology practice, Atlanta, GA)	2013- 2016

Dr. Bianca Martins - Ophthalmology Resident/Florida; Research advisee (Current position: Associate Professor, Comparative Ophthalmology, University of California, Davis)	2012- 2015
Dr. Sarah Czerwinski - Ophthalmology Resident/Florida (DACVO, Current position: Assistant Professor, University of Georgia)	2012- 2015
Dr. Joci Forkner - Rotating Small Animal Intern/Florida; Research advisee (Current position: General veterinary practice)	2011-2012
Dr. Shari Greenberg - Ophthalmology Resident/Florida; Research advisee (DACVO, Current position: Specialty ophthalmology practice, Hartford, CT)	2010- 2013
Dr. Shari Greenberg - Rotating Small Animal Medical/Surgical Intern/Florida; Research advisee (DACVO, Current position: Specialty ophthalmology practice, Hartford, CT)	2009- 2010
Hyun-Yun Jung - PhD Candidate; Committee Member	2010-2012
Dr. Michala Henricksen - Ophthalmology Resident/Florida (DACVO, Current position: Assistant Professor, Comparative Ophthalmology, Colorado State University)	2009- 2012
Dr. Hiroki Tsujita - Ophthalmology Resident/Florida; Research advisee (DACVO, Current position: Specialty ophthalmology practice, Osaka, Japan)	2009- 2012
Dr. Avery Woodworth - PhD candidate; Committee member (Current position: General veterinary practice)	2009
Dr. Beau House - Rotating Small Animal Intern/Florida; Research advisee (Current position: General veterinary practice)	2007- 2008
Dr. Gil Ben-Shlomo - Ophthalmology Resident/Florida; Research advisee (DACVO, Last position: Associate Professor with tenure, Comparative Ophthalmology, Cornell University)	2007- 2010
Dr. Sarah Blackwood - Ophthalmology Resident/Florida; Research advisee (DACVO, Current position: Specialty ophthalmology practice, Portland, ME)	2006- 2009
Dr. Catherine Nunnery - Ophthalmology Resident/Florida (DACVO, Current position: Specialty ophthalmology practice, Virginia)	2006- 2009
Dr. Amy Baker - Ophthalmology Resident/Florida; Research advisee (DACVO, Current position: Specialty ophthalmology practice,	

Miami, FL) 2006- 2008

Dr. Nicole Scotty – Ophthalmology Resident/Florida (DACVO,
Current position: Specialty ophthalmology practice,
Minneapolis, MN) 2006- 2007

Tommy Rinkowski - MS candidate; Committee Member 2006- 2008

Student Projects Supervised

Meaghan Callahan	c/o 2010	TGF-beta in aqueous humor of canines with primary and secondary glaucoma compared to normal dogs
Maria Moriyon	c/o 2020	Clinical and histopathologic evaluation of intraocular and periocular melanomas in dogs and cats.
Cristina King	c/o 2021	Ocular disease in free-living raptors in North Central Florida (retrospective).
Noah Plotsker	c/o 2022	Endoscopic cyclophotocoagulation in small animals (retrospective).

Visiting Veterinarians Mentored

Dr. William Irving, Australia, 2022 (ACVO Resident)
Dr. Viska Widyaastuti, Indonesia, 2022
Dr. Jaclyn Johnson, USA, 2021 (ECC Resident)
Dr. Connor Ellis, USA, 2021 (ECC Resident)
Dr. Kyle Kline, USA, 2020 (Rotating Intern)
Dr. Brett Story, USA, 2019 (Rotating Intern)
Dr. Steven Hanes, USA, 2019 (Rotating Intern)
Dr. Taylor Opgenorth, USA, 2019 (Rotating Intern)
Dr. Marie-Pier Boutin, Canada, 2019 (ECVO Resident)
Dr. Zachary Cochrane, USA, 2019 (ACVO Resident)
Dr. Veronica Feigel, USA, 2019 (ACVO Resident)
Dr. Aria Guarino, USA, 2019 (ACVIM-SA Resident)
Dr. Negar Hamzianpour, UK, 2018 (ECVO Resident)
Dr. Veronica Feigel, USA, 2018 (ACVO Resident)
Dr. Nan Xia, China, 2017
Dr. Allison Fuchs, USA, 2017
Dr. Ana Bascunan, USA, 2017 (ACVS-SA Resident)
Dr. Lyndsey Pelych, USA, 2017
Dr. Paoul Martinez, USA, 2017 (ECC Intern)
Dr. Louise O'Leary, Ireland-USA, 2017 (Rotating Intern)
Dr. William A. Fox-Alvarez, 2017 (ACVS-SA Resident)
Dr. Elizabeth Nelson, USA, 2017 (ACVIM-LA Resident)
Dr. Veronica Feigel, USA, 2017 (ACVO Resident)
Dr. Michelle Salob, USA 2016
Dr. Ricardo Gallo, Brazil, 2016
Dr. Maurilio Rosa, Brazil, 2016

Dr. Veronica Feigel, USA, 2016 (ACVO Resident)
Dr. Kaylin Kitchings, USA, 2016
Dr. Paoul Martinez, USA, 2016
Dr. Samantha Campos, USA, 2016 (ECC Resident)
Dr. Rachel Davy, USA, 2016 (ECC Resident)
Dr. Pallavi Kelkar, India, 2016
Dr. Tatiane Villar, Brazil, 2016
Dr. Christopher Corrie, USA, 2015 (ECC Resident)
Dr. Braidee Foote, USA, 2015
Dr. James Herrmann, USA, 2015
Dr. Kate Spahn, USA, 2015
Dr. Brian White, USA, 2015
Dr. Hiroki Takahashi, Japan, 2015
Dr. Jury Kim, South Korea, 2015
Dr. Braidee Foote, USA, 2015
Dr. Jamie Hermann, USA, 2015
Dr. Jesse Bullock, USA, 2014 (ECC Resident)
Dr. Jessie Wofford, USA, 2014 (Rotating Intern)
Dr. Jean Rubanick, USA, 2014 (ECC Resident)
Dr. Amy Santonastaso, USA, 2014 (LAM Resident)
Dr. Ashley Allen, USA, 2014 (ECC Resident)
Dr. Renata Ramos, Brazil, 2013
Dr. Maria Borisenkova, Russia, 2013
Dr. Katya Ekaterina Vasilyeva, Russia 2013
Dr. Jaana Pana, Finland, 2013
Dr. Stamatina Giannikaki, Greece, 2013
Dr. Maria Borisenkova, Russia, 2013
Mr. James Risk, Scotland, 2013 (veterinary student)
Dr. Jorge Emilio Caballeros Haeussler, Guatemala, 2012
Dr. James Rushton, Austria, 2012
Dr. Maria Borisenkova, Russia, 2012
Dr. Franziska Matheis, Germany and Switzerland, 2011
Dr. Julia Deutsch, Austria, 2011
Dr. Paula Galera, Brazil 2011-2012
Dr. Margareta Larsen, Sweden, 2010
Dr. Dave Rendle, RVC, London 2010
Dr. Amy Treadwell, USA, 2010
Dr. Silvia Stadler, Austria, 2010
Dr. Yvonne Johansen, Denmark, 2010
Dr. Lena Ström, Sweden, 2010
Dr. Eugenia Bermudez-Jimenez, Costa Rica, 2010
Dr. Tine Schliewert, Germany, 2010
Dr. Bianca Martins, Brazil, 2008, 2009, 2010
Dr. Min Su Kim, Korea, 2008, 2009
Dr. Kira Epstein, University of Georgia, 2008
Dr. Sarah Buisson, France, 2008
Dr. Anastasia Komnenou, Greece, 2008

Dr. Anna Leticia Souza, Brazil, 2007, 2008, 2009
Dr. Jami Whiting, Dubai, 2007
Dr. Sebastian Monclin, Belgium, 2007
Dr. Maurilio Rosa, Brazil, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013
Dr. Michala Henriksen, Denmark, 2006, 2007, 2008, 2009
Dr. Gil Ben-Shlomo, Israel, 2006
Dr. Marc Burin des Roziers, France, 2006
Dr. Sue Manning, UK, 2006
Dr. Richard McMullen, Germany, 2005
Dr. Ann Cook, North Carolina, USA, 2005
Dr. Nunzio D'Anna, Italy, 2005

TEACHING EXPERIENCE

University of Florida College of Veterinary Medicine

Course Coordination:

- VEM 5110c – Introduction to Ophthalmology (1st year DVM students, required): 2013-present
- VEM 5243 – Equine Ophthalmology (3rd year DVM students, elective): 2007-present
- VEM 5242 – Small Animal Ophthalmology (4th years DVM students, elective): 2009-2011
- VEM 5241 – Current Concepts in Veterinary Ophthalmology (2nd year DVM students, required): 2010-2017
- VME 6905 - Independent Study (MS and PhD students) 2014-present
- VME 6971 - Masters Research (MS students) 2014-present
- VEM 5877 – Ophthalmology Clerkship (3rd and 4th year DVM students, elective): 2012-2017 (26 clerkship rotations per year)

Lectures:

- VEM 5110C - Introduction to Ophthalmology (1st year DVM students, required)
 - Neuro-ophthalmology, 2004-2012 (2 hours per year)
 - Entire course, 2013-present (10 hours lecture per year)
- VEM 5241 - Veterinary Ophthalmology (2nd year DVM students, required), 2005-present (4-16 hours per year)
- VEM 5242 - Small Animal Ophthalmology (4th year DVM students, elective), 2005-present (4-16 hours per year)
- VEM 5243 - Equine Ophthalmology (3rd year DVM students, elective), 2007-present (12-16 hours per year)
- VEM 5286 - Clinical Pharmacology: Ophthalmic Pharmacology (2nd year DVM students, required), 2012- 2017 (2 hours per year)
- VEM 5355 - Ruminant Medicine: Ruminant Ophthalmology (3rd year DVM students, elective), 2010- present (1 hour per year)
- VEM 5311 - Avian Medicine and Surgery: Avian Ophthalmology (3rd year DVM students), 2014-present (1 hour)
- VEM 5289 – Large Animal Pharmacology: Ocular Pharmacology (3rd year DVM students), 2018-present (1 hour)

- National Board Review Session (NAVLE) for senior veterinary students: Ophthalmology, 2005 –present. (2-4 hours per year)
- Lecture to Small Animal Rotating Interns: The Ophthalmic Examination and Ophthalmic Emergencies, 2017-present (3 hours per year)
- Lecture to Emergency and Critical Care (ECC) Residents: Small Animal Emergency Ophthalmology, 2018-present (2 hours per year)
- Lecture to WZAAM Club Exotics Animal Lunch Series: The Eyes Have It (Spectacular Diseases in Snakes; Avian Vision; Blind as a Bat?!?) 2020-present
- Lecture to SCACVIM/SCECC: Ophthalmic Manifestations of Systemic Disease 2021-present

Laboratories:

- VEM 5110c, Introduction to Ophthalmology: Anatomy and Histology Laboratory, 2013-present (4 hours per year)
- VEM 5241, Veterinary Ophthalmology: Diagnostics laboratory, Surgery Laboratory, 2004-present (8 hours per year)
- VEM 5243, Equine Ophthalmology: Diagnostic and Surgical Laboratory, 2007-present (3 hours per year)
- UFCVM Emergency Medicine Club laboratory: Surgical repair of eyelid lacerations, ptosis. 2009, 2010, 2011 (4 hours, lecture and lab)
- Student Chapter of the American Association of Equine Practitioners (SCAAEP) Wet Lab: The Equine Ophthalmic Examination. 2015 (4 hours, lecture and lab)
- Student Chapter of the American Association of Equine Practitioners (SCAAEP) Wet Lab: Placement of a Subpalpebral Lavage Treatment System. 2016, 2017, 2018. (3 hours per year)
- Large Animal Internal Medicine Equine Special Elective Clerkship Wetlab: Examination Techniques, Ocular Ultrasonography, Flushing NLD. 2019. (4 hours)

Clinical Instruction:

- VEM 5877 – Ophthalmology Clerkship (3rd and 4th year DVM students, elective) – 2010-present 20-36 weeks per year
- VEM 5877 – Ophthalmology Clerkship (3rd and 4th year DVM students, required) – 2004-2010 20-36 weeks per year
- VEM 5879 – Advanced Ophthalmology Clerkship (4th year DVM students, elective) – 2004-2010 32-36 weeks per year

Individual Student Instruction:

- VEM 5991 - Student Individualized Investigation, Summer 2013, 2017, 2018, 2019

Graduate Student Instruction:

- VME 6936 - Seminars in Medicine, 2008, 2010, 2014-present (1 hour per year)
- VME 6905 - Independent Study, 2014-present
- VME 6971 - Masters Research, 2014-present
- VME 7980 – Doctoral Research, 2018-present
- House Officer Image Recognition Rounds (16-26 hours per year)
- House Officer Histopathology Rounds (10-12 hours per year)

- House Officer Mock Examinations (6-8 hours per year)
- House Officer Surgery Instruction (cadaver practice outside of clinical practice, 10-20 hours per year)

Seminars to Faculty, House Officers and Students:

- *Ophthalmic Manifestations of Endocrine Disease in Small Animals*, March 2005
- *Advances in Ophthalmic Surgery at the UFCVM*, March 2006
- *Canine Glaucoma*, March 2006

Purdue University School of Veterinary Medicine

- Seminars to Faculty, House Officers and Students
 - *Ocular toxoplasmosis*, November 2003
- Clinical supervision of 4th year students on the ophthalmology clerkship, July 2003-December 2003

Michigan State University College of Veterinary Medicine

- Seminar to College Faculty, House Officers and Students
 - *It's a Matter of Perception: Visual pathways and the differential visual capacity of different species*, June 2003
- Clinical Skills (pre-clinical students); *Physical Examination Procedures*, Fall 2002 and Spring 2003
- Clinical Skills (pre-clinical students): *The Orthopedic Examination*, Fall 2002 and Spring 2003
- Clinical Skills (pre-clinical students): *The Neurologic Examination*, Fall 2002 and Spring 2003
- Clinical Skills (pre-clinical students): *The Ophthalmic Examination*, Fall 2002 and Spring 2003
- Anatomy: *The Ophthalmic Examination*, Spring 2003
- Clinical supervision of 3rd and 4th year students on clerkships, June 2002- June 2003

PROFESSIONAL AND SCIENTIFIC ORGANIZATIONS AND SOCIETIES

American College of Veterinary Ophthalmologists (2006-present)
 American Veterinary Medical Association (1998-present)
 International Equine Ophthalmology Consortium (2009-present)
 American Association of Equine Practitioners (2014-2016)
 American Animal Hospital Association (1998-2003)
 Florida Veterinary Medical Association (1998-2003; 2008-2012)

LICENSURE

Florida Veterinary License, VM 8549 (active)
 Kentucky Veterinary License, NS-KY-4114 (inactive)
 Vermont Veterinary License, 052.0103979 (active)

MAJOR COMMITTEE ASSIGNMENTS

International Equine Ophthalmology Consortium

Symposium Committee member, 2010-2012

Executive Board member, 2009-present

Secretary/Treasurer 2009-present

American Board of Veterinary Ophthalmology

Maintenance of Certification Committee member, 2013-2018; chair 2016-2018

Examination Committee member, 2018-present

Vision for Animal Foundation

Board of Directors, 2021-present

Auction Committee member, 2018-present

Glaucoma Consortium member, 2017-present, chair 2022

Scientific Advisory Committee member 2022-present, chair 2022-present

University of Florida

Faculty Senator (UFCVM Representative), August 2012-May 2015

Academic Freedom, Tenure, Professional Relations and Standards (AFTPRS)

Committee, 2021-present

University of Florida College of Veterinary Medicine

Tenure and Promotion, July 2021-2022, co-chair 2021-22

CVM Representative to President's Advisory Committee on Conflict of Interest, 2021-present

Diversity, Equity and Inclusion Committee, 2020-present

SACS Administrative Council, February 2020-present

SACS Wellness Initiative Task Force Leader, 2020-present

SACS Peer Evaluation Committee, 2020-present

Curriculum Committee, 2020-present

SACS Research Grant Committee Reviewer, 2019-present

CVM Administrative Council, 2019-2020; co-Chair 2019-2020

Faculty Council, 2017-2020; co-Chair 2017-2018; Chair 2018-2019

Tenure and Promotion, July 2014-2017

Curriculum Review Committee, Member, 2014 - 2016

Ophthalmology Service Chief, April 2012-July 2017

Residency Coordinator, Ophthalmology, December 2006-December 2014; September 2017-present.

Residency Committee Member, December 2006-December 2014; September 2017-present

Clinical Efficiency Task Force, Member, 2013

Research Committee, July 2008-2011

Student-Faculty Communications Committee, July 2007-2009

Awards and Scholarships, July 2006-2009

Search Committees:

Miami-Dade Animal Services Shelter Medicine Faculty Search Committee, Member, 2021
Anatomic Pathology Faculty Search Committee, Member, 2022
Large Animal Medicine Faculty Search Committee, Member, 2006
Ophthalmology Faculty Search Committee, Member, 2011
Ophthalmology Faculty Search Committee, Member and Chair, 2014
Dermatology Faculty Search Committee Member, 2014
Associate Dean for Clinical Services Search Committee, Member, 2015
Ophthalmology Faculty Search Committee, Member and Chair, 2015
Associate Dean for Students and Instruction Search Committee, Member, 2015-16
Large Animal Medicine Faculty Search Committee, Member, 2016
Soft Tissue Surgery Faculty Search Committee, Member, 2016
Miami-Dade Animal Services Shelter Medicine Faculty Search Committee, Member and Chair, 2016-17
Preeminent Faculty in Regenerative Medicine Search Committee, Member, 2017
Ophthalmology Faculty Search Committee, Member, 2018
Associate Dean for Strategic Initiatives, Member 2019
Ophthalmology Faculty Search Committee, Member and Chair, 2020
Anatomic Pathology Faculty Search Committee Member, 2020, 2021

Michigan State University

Departmental Committees: Internship Selection Committee, July 2002-July 2003.

Yale University

Alumni Schools Committee, 2002-present

EDITORIAL ASSIGNMENTS

Ad Hoc Reviewer For

Veterinary Ophthalmology
American Journal of Veterinary Research
Journal of Visualized Experimentation
Journal of the American Animal Hospital Association
Veterinary Surgery
Veterinary Clinical Pathology
Today's Veterinary Practice
Equine Veterinary Journal
Equine Veterinary Education
Clinical and Experimental Ophthalmology (human)
Journal of American Veterinary Medical Association
Veterinary Record
Journal of Equine Veterinary Science
NAVC Clinician's Brief
New Zealand Veterinary Journal
Veterinary Medicine
Journal of Veterinary Medical Education

Investigative Ophthalmology and Visual Science (human)

External Reviewer of Promotion and Tenure Applications

Cornell University College of Veterinary Medicine (2018, 2020, 2022)

Purdue University College of Veterinary Medicine (2021)

University of Florida College of Medicine (2021)

AWARDS, PRIZES AND HONORS

UF CVM SACS Sponsor of the Month, April 2022

UFCVM SACS Sponsor of the Month, June 2020

FVMA Clinical Investigator of the Year Award, April 2019

2017-2018 UF Term Professorship Award, August 2017

Induction into the Yale Ophthalmology Society, June 2017

Winn Feline Foundation Clinician Honor (Client nominated), 2017

2015 University of Florida Superior Accomplishment Award, Division 5

Best Clinical Poster Presentation- ACVO Annual Meeting, October 2005

Mark Bloomberg Scholarship - Overall Excellence for Veterinary Graduate,

Pursuing Further Training in an Internship Program, May 2002

Beatriz Luz Scholarship - Excellence in Internal Medicine, May 2002

Merck Manual Award - Top Ten Percent of Veterinary Class, May 2002

Phi Zeta Veterinary Honor Society - College of Veterinary Medicine,

University of Florida (June 2001-present)

National Science Scholar - National Science Foundation (1994-1997)

Mentee Awards:

UFCVM Excellence in Clinical Research Award (Dr. Michelle Martin de Bustamante), 26 March 2021

UFCVM Excellence in Basic Science Research Award (Dr. Renata Ramos), 27 March 2016

UFCVM Excellence in Clinical Research Award (Dr. William Berkowski), 27 March 2016

Phi Zeta Best in Show Graduate Student Research Competition, UFCVM (Dr. William Berkowski), 27 March 2016

21st Annual University of Florida Outstanding International Student (Dr. Renata Ramos), 15 November 2015
